SPECIAL INDUSTRY GUEST FOR VIENNA

Casting director Nicole Schmied will be joining the workshop for 2 hours on the last day.

Testimonials from the workshop organizing team in Vienna:

Nathalie Romina Marktler: *Working with Kirk Baltz allowed me to let go of myself and step fully into character—his authenticity and sensitivity create a safe space for deep, transformative work that continues to shape me as an actor.*

Greta Lindermuth: *Kirk's coaching feels like a gentle invitation for a deep dive. Working with him has helped me to slowly let go of the "shoulds" in my head and trust what is. It has connected me more deeply to my creative self, my playfulness and my subconscious. His workshops are nourishment for my soul and art.*

Jakob Maximilian: *Working with Kirk is like a reset to your most authentic and truest self. You'll stop thinking and start listening while trusting your impulses. Kirk's empathetic and strong guidance creates a safer space to explore and express what resides within you.*
